

# **When Day Is Done**

By Dr. Robert Katscher, Lyrics by Buddy G. DeSylva

## **Intro:**

Since you've gone away, one thing is clear to me  
You were dearer than dear to me, from the moment you came  
  
Evenings by your side, I learned to love the night  
But the loveliness, of the night, is no longer the same

## **Refrain:**

**When day is done**, and shadows fall, I dream of you.  
**When day is done**, I think of all, the joys we knew.  
That yearning, returning to hold you in my arms.  
Won't go love, I know love, without you, night has lost its charm.  
  
**When day is done**, and grass is wet, with twilight's dew.  
My lonely heart, is sinking with the sun.  
Although I miss, your tender kiss, the whole day through.  
I miss you most of all, **When day is done**.
